#### **GOD'S LAKE APPOINTS BAKER TO PRESIDENT AND CEO**

**God's Lake Resources Inc. CNSX: GLR** ("the Company") is pleased to announce that Judy Baker has joined the Company as President and CEO.

Judy Baker holds an Honours B.Sc. Geological Engineering in Mineral Resources Exploration and a M.B.A., and has seventeen years of experience in the mining and mineral exploration sector including equity analysis, fund management; and exploration and mining company activity. Judy Baker is currently a consultant for American Lithium Minerals Inc., a lithium exploration company focused on advancing US based lithium projects, and publicly traded on NASDAQ-OTCBB. Prior to this, Ms. Baker was the President, CEO and a director of Canada Lithium Corp., and was instrumental strategically positioning the company in lithium business that formerly operated as Black Pearl Minerals. Ms. Baker also serves on the board of directors for Abcourt Mines Inc. and Nemaska Exploration Inc.

God's Lake Resources is a junior gold exploration company and is publicly traded on the Canadian National Stock Exchange under the symbol GLR. The company recently acquired the Sherman Lake Gold Project and completed a \$511,000 non-brokered private placement to undertake exploration activities in the area.

The Sherman Lake area is located 410 km north of Red Lake, Ontario. The Sherman Lake Gold Project consists of one block of 16 leased claims. Prospecting in 1935 led to the discovery of the Project. Follow-up trenching and drilling in 1936 identified two separate high-grade gold bearing quartz veins. The Project went into production in 1938 and produced 52,560 oz. of gold from 46,457 tons of ore (average grade 1.13 oz/ton) over its 4-year lifetime.
